as the Data Controller for the following purposes:

PURPOSE OF DATA PROCESSING	To promote the preservation and maintenance of health, to support effective therapeutic activities, to monitor the health status of the individual, and for healthcare professional training.
----------------------------	---

The Data Controller has provided the following prior information regarding the processing of my personal data:

The legal basis for the data processing by the company for the above purposes is the clear and explicit consent of the individual concerned. The scope of individuals affected by the data processing includes all natural persons who give clear and explicit consent for the company to process their personal data for the purposes specified above. Categories of recipients who may access the personal data: the company's executives and employees performing customer service and patient care duties based on their job responsibilities.

During healthcare provision, the protection of your personal data and rights is guaranteed by law (Act XLVII of 1997 on the Protection and Management of Health and Related Personal Data). This ensures that your health and personal data are handled confidentially. All employees of the institution who may access the data are bound by the obligation to maintain medical confidentiality.

Location of data processing: The company's premises. Duration of data processing: Until the withdrawal of consent for personal data processing. I acknowledge that I have the right to request access to my personal data from the Data Controller, to request correction, deletion, or restriction of the processing of my personal data, and the right to data portability. I may withdraw my consent at any time without limitation in duration and may lodge a complaint with the National Authority for Data Protection and Freedom of Information. Further information is available in the Data Controller's privacy policy, accessible on their website (www.thetapest.hu).

I have read and understood the above information and explanations. I voluntarily and without any external influence consent to the processing of my personal data for the purposes specified above.

Kelt, BUDAPEST ,

Declarant

This declaration can be used to provide consent for the processing of personal data. For the sake of transparency and accountability, this declaration serves as proof that the individual has given consent for the processing of their data and has received the necessary information about their rights..
